About the Department

A Hub of Innovation

The Department of Computer Science and Engineering offers both B.Tech and M.Tech programs, accredited by the National Board of Accreditation (NBA) under the Tier-I category. We strive to stay at the forefront of technological advancements and provide students with the skills necessary to thrive in a rapidly evolving field.

*"WE EMPOWER STUDENTS TO
TURN TECHNOLOGY INTO
SOLUTIONS THAT CHANGE
THE WORLD."*

Established in 1999, the Computer Science and Engineering department has become a cornerstone of Vardhaman College, renowned for its cutting-edge programs and pioneering research.

Let's look into our Ethos

Guiding Future Innovators

Our vision and mission statements define our commitment to excellence and our drive to nurture future leaders in technology.

Our Vision

To be a leading source of competent computer engineers and meet the needs of industry and society at large.

Our Mission

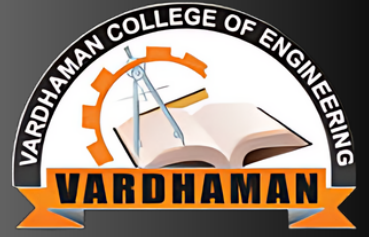

Facilitate Learning: Implement innovative methods to teach advanced technologies.

Industry Collaboration: Continuously partner with industry to develop an experiential curriculum.

Promote R&D: Foster research and development through Special Interest Groups (SIGs).

Leadership Development: Provide a platform for developing entrepreneurial and leadership qualities.

*"OUR MISSION IS TO MOLD STUDENTS INTO LEADERS WHO CAN
NAVIGATE AND SHAPE THE FUTURE OF TECHNOLOGY."*

Program Educational Objectives (PEOs)

Building a Strong Foundation

Our program is designed to equip graduates with the skills and knowledge required to excel in their careers and contribute positively to society.

PEO1: Professional Excellence

Graduates will establish themselves as effective professionals, solving real-world problems using investigative and analytical skills.

PEO2: Lifelong Learning

Graduates will adapt to rapidly changing environments in advanced areas of Computer Science and scale new heights in their profession.

PEO3: Teamwork and Communication

Graduates will work and communicate effectively as team members and leaders, completing tasks efficiently and meeting deadlines.

PEO4: Ethical Contribution

Graduates will embrace professional ethics, contributing to society while maintaining ecological balance.

*"OUR GRADUATES ARE PREPARED TO MEET THE CHALLENGES OF
TOMORROW WITH CONFIDENCE AND INTEGRITY."*

Program Specific Outcomes (PSOs)

Skills that Make a Difference

Our curriculum is designed to produce graduates who are proficient in critical aspects of computer science.

PSO1: Software Systems Expertise

Graduates will be adept at collecting requirements, analyzing, designing, implementing, and testing software systems.

PSO2: Error Analysis and Debugging

Graduates will be skilled in analyzing errors and debugging software to ensure optimal performance.

"OUR CURRICULUM EQUIPS STUDENTS WITH THE TECHNICAL EXPERTISE TO EXCEL IN A COMPETITIVE LANDSCAPE."

About Computer Engineers Technical Association (CETA)

Empowering Students Through Technology

The Computer Engineers Technical Association (CETA) is a student-led organization dedicated to enhancing skills and fostering innovation.

CETA organizes a wide array of co-curricular activities, including programming contests, technical paper presentations, project expos, and soft skills workshops. These events are held under the auspices of professional societies such as ACM, ISTE, IEEE, and CSI.

"CETA PROVIDES A PLATFORM FOR STUDENTS TO TRANSFORM IDEAS INTO REALITY."

Showcasing talent and innovation at every turn.

MoUs Signed

Expanding Horizons

The CSE department has forged strategic partnerships to enhance educational and research opportunities.

Recent MoUs

- AWS Academy - June 2021
- Coding Ninjas - 8/6/2021
- EduSkills - 8/4/2021
- Skilldzure Technologies - 23/3/2021

"OUR COLLABORATIONS WITH INDUSTRY LEADERS OPEN DOORS TO UNPARALLELED OPPORTUNITIES FOR OUR STUDENTS."

Events Organized

Fostering Growth and Learning

Our department hosts numerous events aimed at promoting knowledge sharing and professional development.
